Great for driveways, walkways, flowerbeds, bushes, trees, etc.

#78/#8 Brown Pea Gravel

Tan and brown, round washed gravel. Great for driveways, walkways, flowerbeds, bushes, trees etc.

Black Mulch

Red Mulch

Brown Mulch

Cypress Walnut

The mulch above makes a great decorative ground cover that decays slowly and holds color well. Plant borders and bedding areas, playgrounds, walkways and jogging trails. Resists weed growth. Helps retain soil moisture and temperature.

Hardwood Mulch

Plant borders and bedding areas, playgrounds, walkways and jogging trails. Resists weed growth. Helps retain soil moisture and temperature.

Cypress Playground Chips

Chips of cypress direct from a sawmill, IPEMA CERTIFIED for safety compaction factor, clean and durable, light wood color.

4" Wood Chips

Rough cut wood chips. Great for temporary driveways and building up raised beds.
